— REMEMBRANCE DAY IN BAR HILL —

The service in the church was reverent and very moving. The sentiment expressed on a banner made by the children that each poppy represents someone's son, brother, relative or friend who did not return home after serving their country – and not a glorification of war as some maintain – was, to me, the theme running through the whole service.

Outstanding was the participation of the many children in the village's uniformed organisations. They were credit to the village and helped to make it a true community event.

It was a pity that few parish councillors and my fellow members of the Residents' Association's committee were present. In future, perhaps, they would consider attending this event as active members of the village community.

Even if they are non-churchgoers, they should remember those who gave their lives for them to enjoy this privilege.

Jo Hall, 11 Almond Grove.

BUS SERVICE 1A BETWEEN BAR HILL AND ST IVES

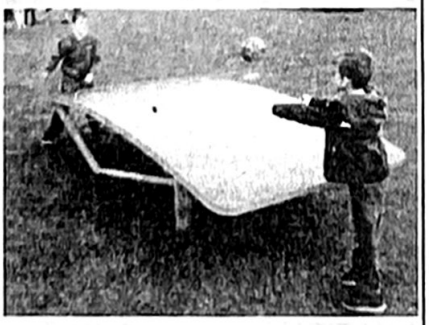
Dews Coaches run a weekday bus service, no. 1A, between Bar Hill and St Ives. There are stops in Fenstanton.

This service is subsidised by Cambridgeshire County Council until next summer, and to keep it running we need to support it. Older persons' bus passes are accepted.

The timetable is as follows:

- Departures from bus stop near Tesco at 07.52, 09.43, 10.43, 11.43, 12.43, 13.43, 15.43 and 17.03.
- Return from St Ives bus station at 09.18, 10.18, 11.18, 12.18, 13.18, 15.18 and 16.18.

— COLLECT YOUR TOKENS —



We are thrilled that Tesco has selected our request for the Bags for Life funding to help with the purchase of a Teqtable to add to the new facilities on the Village Green. Please support the village by donating your tokens to the Bar Hill project when you shop in Tesco over the coming weeks.

— SELF-HELP THIS WINTER —

What to do if you have a cough or cold

- Stay at home and get plenty of rest.
- Drink plenty of fluids but avoid alcohol as this can make symptoms feel worse.
- Eat a healthy low-fat, high-fibre diet.
- Try steam inhalation to loosen mucus and soothe your nose and throat.
- Salt water gargles can also help; add two teaspoons of salt to a pint of warm water. Gargle, spit out and repeat.
- Speak to your local pharmacist about over-the-counter remedies like decongestants or paracetamol or aspirin for pain relief.
- To avoid spreading infection, cover your nose and mouth with a tissue when you cough or sneeze and dispose of the tissue quickly afterwards.
- Clean hands regularly and thoroughly to avoid spreading or picking up any infections.

Fever in Children

When to seek urgent medical advice: Contact your GP or health visitor urgently if your child:

- is under three months old and has a temperature of 38°C (100.4°F) or above;
- is between three and six months old and has a temperature of 39°C (102.2°F) or above.

You should also see your GP if your child has other signs of being unwell, such as persistent vomiting, refusal to feed, floppiness or drowsiness.

Treating a fever: If your child has a fever, it's important to keep them hydrated by giving them plenty of cool water to drink. Babies should be given plenty of liquids, such as breast milk or formula. Even if your child isn't thirsty, try to get them to drink little and often to keep their fluid levels up.

If the environment is warm, you could help to your child to stay at a comfortable temperature by covering them with a lightweight sheet or opening a window. However, they should still be appropriately dressed for their surroundings and sponging your child with cool water is no longer recommended to reduce a fever.

ADVERTISING

All matters relating to advertising should be addressed to the Advertising Coordinator bunty.waters@ntlworld.com. Quarter-page adverts cost £16.50 per month and must be submitted by the 1st of the month prior to inclusion. These ads are for local businesses and we guarantee publication, but this often results in a waiting list.

To help overcome this, we publish Maxi and Mini ads which appear throughout the publication. We cannot guarantee their inclusion, though, due to restrictions of space. Maxi ads (6cmx4½cm – 9cmx6cm) are £8.50 per month; Mini ads (6cmx2cm – 6cmx4cm) are £5 per month, and should be submitted by 15th of the month prior to their inclusion.

EDITORIAL

There is no charge for Articles, What's On, For Sale or Lost and Found. These appear at the Editor's discretion. Please submit items by 15th of the month. [Items offered For Sale will be advertised in two consecutive editions, so please let the Editor know if the item(s) sell after the first time.] All items can be submitted electronically on disk or to bhneditor@yahoo.com *[a Word file is best, please]* or hard copy via Parish Council Office.

Dear Editor
I asked Cambridgeshire County Council for an explanation regarding the problems experienced by us all on the weekend 20th October until the removal of the traffic lights, we all know what happens when Bar Hill has them put up!
This is their response:
Cambridge Water were diverting their existing main for the A14 Scheme. Representatives of the County Council met with CW before the works were planned and agreed that they could carry out trial holes to initially locate their main, with further discussions to be planned regarding the actual works.
CW should have erected advance warning signs and informed Tesco, the business park, Local Councillors and the Parish and were asked to do so, but failed to do this. CCC were informed that the trial holes were only likely to take place for a couple of days and would also be at the kerb line. Unfortunately, the contractors completed the trial holes but also excavated a 40 metre trench which had not been agreed, taking out half of the roundabout so all traffic was having to navigate around the Tesco side.
They had been requested to contact the District's Environmental Health to get approval to work over the weekend, which they complied with. CCC had asked Stagecoach when the least impactive time to the Bus Services would be and were advised that the weekend of 21st October would be best.
CW has carried out a lessons learned exercise that they will share with CCC and has acknowledged that there had been a number of failures including failing to comply with the agreements made at the meeting. They have sincerely apologised for this, their failure to communicate with our residents and stakeholders and the severe impact that the works had on Bar Hill businesses and residents. We did inform the Parish and Councillor Harford of the upcoming trial holes in September and this was repeated in IHMC's communication regarding forthcoming roadworks. However, we only alerted to the fact that they were carrying out trial holes under 3-way traffic lights, because that is all that had been agreed to at that stage. **End**
Please visit www.barhill.org.uk for constant updates of work related to the A14 upgrade.
Best wishes, ***Cllr Bunty Waters***

Dear Editor
We would like to thank all those that attended our **Halloween Display**, helping us to raise **£184.21** for **Bar Hill Primary School.**
Lots of fun had by all.
Thank you
Gail and Richard

Dear Editor
Can you please explain why the Barhill.org website is advertised on the front page of October BHN as the place to find the latest information on Northstowe, Toplands and the environment of Bar Hill along with any other matters that effect our village; however, if residents, like myself who actually looked at the website, would find that there is NO information on Northstowe or Toplands and as for the keeping up to date with other village matters I'm afraid that, at the time of writing this letter (November 2017) the minutes of the Parish Council Meetings are 6 months out-of-date and the minutes of the Residents Meetings are 8 months behind. I for one would like to know what our Parish Councillors have discussed and agreed for us over the last 8 months, not that we residents can do anything about any actions that have been taken. I'm aware that you'll say that residents can view some of the meeting minutes at the Parish Council Office, but even these are at least 3 months behind. So, Parish Council, what is going on?
G Caswell, Field View

Reply from Parish Council:
Dear Editor
The Parish Council is grateful for the letter from Mr Caswell regarding the barhill.org website, advising that the information has not been updated. This website is not an official Parish Council one and is privately owned. However, the PC is pleased to advise that their dedicated website is under construction and will have all the agendas and minutes from their meetings uploaded there when finished. Information regarding Northstowe can be found on the South Cambs website.
In the meantime, copies of all minutes can be requested from the Parish Clerk.
Bunty Waters, Chair, Bar Hill Parish Council

10 WAYS TO MAKE A CRIMINAL VERY HAPPY THIS CHRISTMAS:

☺ leave your handbag in the shopping trolley while you turn to the shelves;
☺ shop online without checking sites for security measures;
☺ leave your Christmas shopping on view in the car while you go to another shop;
☺ carry a bulging wallet in a loose pocket;
☺ leave your house in darkness when you are out in the evening;
or
☺ only leave a hall light on (who lives in the hall?);
☺ pile presents round your tree in full view of the front window;
☺ stock up your freezer in an unlocked garage;
☺ leave the engine running to warm up your car while you go back in the house;
☺ pile packaging by the wheelie bin to advertise the wonderful presents you received.

Remember – for the criminal it only takes a moment;
for you, the effect lingers a long time.

Wishing you all a safe and happy Christmas and New Year,
Pam Vendy, Village Co-ordinator

Sue Bell, Parish Clerk: 01954 780456
e-mail: bhillpc-1@btconnect.com.
Please note that the office is open to residents between **9am–11am Monday, Tuesday and Wednesday.**

Visit our website: www.barhill.org.uk for updates.

On behalf of the Parish Council, I wish all the residents of Bar Hill a Happy Christmas and Happy and Prosperous New Year. We also extend our appreciation and thanks to all those who have helped throughout the year.
Bunty Waters, Chair Bar Hill Parish Council

Roadworks at Saxon Way – Tesco Roundabout – the Parish Council very much regrets what happened when contractors came in to undertake Water works in connection with the A14 upgrade. The Chair, Vice-Chair and Clerk met representatives from Cambridge Water's contractors and Cambridgeshire County Council and we have requested that in future advance notice is given of when there is going to be upheaval.

Up-dates on the **A14 improvement scheme** may be obtained from https://www.gov.uk/government/organisations/highways-england including road closures.

Works on the **Hollytrees Stream/Dam Brook** has been delayed. Further information on start dates will be published on the Council's noticeboard.

Litter bins sometimes do not get emptied on a Friday. We do contact South Cambs District Council and they do come out as soon as possible.

Residents are asked to check and cut back any of their **vegetation** which is growing over the paths.

Over the winter months the **Parish Council Office normal opening hours** will be:
Monday 10.00am to 12noon; Tuesday 10.00am to 12 noon; Wednesday 10.00am to 12noon (except first Wednesday in the month).

The next **Parish Council meeting** will be on **21st December 2017 at 7pm** in the Parish Council Office. Minutes are posted up in the Parish Council window. Items for the agenda must be placed with the Clerk at least 7 days before the meeting.

Visit the **village website**: www.barhill.org.uk for up-dates on local matters including progress of the A14.

— TESCO COMMUNITY CHAMPION —

I can't believe this is the last edition of 2017 it seems to have come around so quickly! As I'm writing this the store is all set for Christmas, with a gift for everyone and all the seasonal trimmings needed for a fabulous time.

Beginning of November saw us out and about Litter Picking in Community, the intention is to have a big litter pick in the spring – I know Bar Hill Primary school are keen to get involved. Obviously between now and then we will be seen round and about closer to store.

What a year! We can't thank our customers enough for their generosity to date we have collected:

Royal British legion Poppy Appeal: £10,555.33.

Tesco's Charity Partnership Diabetes UK and British Heart Foundation: £5,719.96 so far, total still on going with our Christmas Fundraiser on 8th and 9th December.

Addenbrookes Dementia wards: £1,663.31 for reminiscence therapy. Since 2015 a total of £11,408.90 has been raised for the hospital.

We couldn't have done any of this without you.

Our store has also seen nearly 850 children being involved in the farm to fork initiative, you may have seen the little ones wearing their yellow tabards whilst on trails through the shop.

We're very excited after the success of last year to be running our 'Little Box' appeal again this year. We are asking for donations of items such as small gifts, toiletries, sweets, chocolates, warm clothing: hats/gloves/scarves/socks, puzzle books these will be packed into wrapped shoe boxes as presents for those who may not otherwise get a Christmas gift. We are working with Jimmys and Cambridge Food Bank along with our local Elderly. The collection point can be found at the front of the store.

We are also making up Christmas chocolate hampers as raffle prizes for numerous local groups and schools if your organisation would like one please contact me on the email address below.

For more information and photos of the above events please have a look at our Facebook page 'Community at Bar Hill Tesco'

So from all the staff at Tesco Bar Hill we wish you all a MERRY CHRISTMAS AND HAPPY NEW YEAR! Please feel free to pop into the community room for a complimentary hot drink and mince pie/Christmas cake Wed 13th Dec. 1–3pm.

— WILDLIFE TRUST —

Huntingdonshire Local Group

We are pleased to announce the following events:

Christmas Miscellany on Wednesday **13th December**. We will begin with a short talk by Oliver Burke, Director of Living Landscapes for the local Wildlife Trusts, who will give an overview of conservation successes during the past year, illustrated with recent wildlife sightings.

This will be followed by our traditional **Christmas wildlife quiz and raffle**, accompanied by mince pies and wine.

The Changing Seasons on Wednesday **10th January** 2018. Our speaker will be Tim Sparks, Professor of Environmental Change at Coventry University. His topic is Phenology – the study of seasonal changes in plants and animals.

Tim has a keen interest in phenology and will explain how it has developed from the initial findings of Robert Marsham in the 18th Century. Tim re-established the UK Phenology network in 1998 and tonight, he will illustrate some of the changes that occur with the seasons and discuss the impact on climate change.

Both of these talks will be held at **7.30pm** at Brampton Memorial Hall, Thrapston Road, Brampton, Huntingdon, PE28 4TB.

Anyone with an interest in wildlife is most welcome to attend. Booking is not necessary. Entrance charge £2.50 (accompanied children free). Please contact **Tim** on **01480 457795** for more information.

Part of the Wildlife Trust for Bedfordshire, Cambridgeshire and Northamptonshire. Registered Charity No: 1000412

The Staff would like to wish patients a very Happy and Healthy Holiday Season.

Our surgeries will be closed on Christmas Day, Boxing Day and New Year's Day. Normal opening hours apply every other day.

Out of Hours Care – phone Urgent Care Cambridge on **111** if you require medical attention when surgery is closed. Please help our Emergency Services and only call 999 for a life threatening condition. Remember that A&E is for *life threatening* conditions or if you are likely to need an x-ray.

Repeat Prescriptions – the last date for ordering repeat prescriptions in time for Christmas is **Wednesday 20th December**, for collection by **Friday 22nd December** by **1pm** at Longstanton Surgery and **6:30pm** at Willingham Pharmacy. The last date for ordering repeat medication before New Year will be **Wednesday 27th December**, for collection by **29th of December**. Surgeries re-open as normal on Tuesday 2nd January.

Don't swallow up your NHS – use it wisely this winter – every time you visit your GP it costs the NHS £45* You can treat minor winter illnesses such as colds, coughs, sore throats, and upset stomachs easily at home with medicines you can buy at low cost from your local pharmacy. Be prepared and stock up on winter essentials today: • pain relief (paracetamol); • cough and sore throat remedies; • first aid kit; • upset stomach treatment; • rehydration treatment; • heartburn and indigestion treatment. Having these winter essentials at hand will not only save you time and help you to feel better quicker, but help save the NHS much needed resources.

**£45 is the average cost for GP consultation time, cost of medication, and dispensing fee.*

Carers Support Meetings – next meeting at Willingham Surgery: 6th December at 2pm. If you are a carer, please pop along and get some support. Refreshments provided, no need to pre-book and completely FREE! Please contact Sue Lawson at the surgery or email her at susan.lawson7@nhs.net for more information.

Cambridgeshire Hearing Clinics – next Hearing Aid Clinic at Willingham Surgery: 20th December. No appointment necessary, just pop along for your free NHS hearing aid batteries and for help and advice regarding hearing loss.

Now that the construction work at the school is mainly contained within the school, we offer our thanks to Bar Hill residents that have put up with quite a bit of disruption to parking and traffic around the school. Over the summer we realised that the heating system under the school had been leaking, leaving it ineffective. Starting in August we undertook a 12 month plan to build a new system of heating around the school which has meant moving some classes to portable buildings, installing temporary heating and giving builders access to the school throughout the day, and most nights. We very much appreciate the patience of residents as we repair our 50 year old heating system.

We also value the views of members of the community with regards to academy conversion and making closer links with Swavesey Village College. On both issues we received very thoughtful and positive feedback. Governors will be meeting before the end of term to discuss the feedback from the consultation and further updates will be shared with the community in future issues of the Bar Hill News.

While heating and academy status are important issues for the school, more important are the results from the latest football tournament where Bar Hill School swept up, winning all four of our games: 8-0, 5-0, 4-0, 1-0. Three of our children were also picked by Peterborough FC to play for them and one also won the "strongest kick award". Congratulations, Bar Hill School children, for another excellent show of achievement!

Finally, we are very much reliant on members of the community to volunteer with us to read with children – if any member of the community would be willing to share time with the school, please contact office@barhill.cambs.sch.uk With significant funding cuts, we need the community to help us achieve the outstanding results we are used to in Bar Hill.

We wish all members of the Bar Hill community a very Merry Christmas and Happy New Year!

We currently have vacancies for cleaners and mid-day supervisors on both a permanent or casual basis.
If you would like more information and an application pack, please contact the school office 01954 273305 or e-mail: office@barhill.cambs.sch.uk.

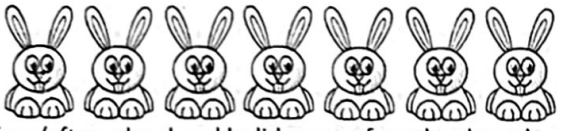
— BAR HILL CHILDMINDERS —

Bar Hill Childminders work as a close network of childcare professionals who offer a warm, friendly and loving home from home environment. We use the comfort of our homes as a base and can also offer your children the opportunities of day trips and range of outdoor experiences and take part in local community events and groups without being confined to one place.

We offer flexibility in the hours that we work to suit you and your child's needs with village rates, rather than having set session times.

Your child will receive focused and individual attention and care as we progress them through the EYFS curriculum. Child led play as well as structured and personally thought out activities will encourage them to grow and learn at their own pace taking in to account each child's individual needs.



Before/after school and holiday care for school aged children is available and leaves the stress out of your busy mornings and evenings.

We are Ofsted registered and inspected with 'Good' and 'Outstanding' inspection outcomes and are fully insured. We have access to childcare qualifications including level 3 in childcare. You can feel safe in the knowledge that we all hold Paediatric first aid certificate.

We welcome you to join us and have an informal chat at either of our friendly and inviting 'Little Bunnies' sessions on Tuesday and Thursday mornings from 9.45–11.15am in the Octagon, term time only – (£1.50 for one child under one, £2.50 for one child over one and £3 for 2 or more children). Here we offer a wide range of sensory experiences, activities, stories, singing and more...

Our Childminders are as follows:

Jacky	07718 447998 – over 8's spaces
Melanie	01954 204496 – spaces
Terri	07846 018714 – spaces
Kirsten	07906 218070

Carol	01954 780238 – spaces
Karen	07930 196319
Janine	07879 613731

At our Tuesday Sensory sessions the new year will see us exploring activities related to 'Winter' then into Spring with 'Growing':

9 Jan. Playing with shaving foam;
16 Jan. Trying to chip objects out of ice;
23 Jan. Exploring fake snow;
30 Jan. Snowy story time;
6 Feb. Valentines activities;
13 Feb. HALF TERM (no session)
20 Feb. Celebrating Chinese New Year using chop sticks with noodles and rice;
27 Feb. Planting cress;
6 Mar. Music and movement;
13 Mar. Mothering Sunday activities;
20 Mar. Planting and playing with compost and bulbs;
27 Mar. Easter activities.

CAMBRIDGE PINKS – BREAST CANCER NOW REGIONAL GROUP

On a rather damp but warm morning we headed off for a leisurely walk along the tow path from Milton Country Park to Cow Hollow Wood in Waterbeach.

The mist cleared leaving a glorious sunny day and we passed several families taking advantage of the good weather on the river, it felt more like a day in June rather than October.

A local award winning photographer captured our slightly weary approach to Cow Hollow Wood, where we stopped to enjoy well-earned tea and brownies. We managed to recruit a couple of new members, two very lively puppies, who were more interested in the picnic than the fund raising!

Feeling fully revived we headed back along the river to Milton Country Park, what a perfect way to spend a Sunday afternoon. And with a total raised of £126 for Breast Cancer Now, a very rewarding day.

If you like what you've read, then we have some good news for you, Cambridge Pinks are going to do the same walk again in 2018. So keep your eye on the press coverage or drop us an email for a registration form and more information: jo@hartmcleod.co.uk or avril.williams1@btinternet.com

New treatment at a Doctor's surgery to tackle loneliness – a doctor's surgery may soon be prescribing a new type of treatment after it was revealed that up to 4,000 people in South Cambridgeshire could be suffering from loneliness. Under plans published today, South Cambridgeshire District Council is proposing a pilot project so a non-medical professional can be available at a doctor's surgery in the area to give support to people returning for regular appointments as they want someone to talk to. A Council task and finish group explored the problem earlier this year with GPs and medical practitioners reporting to councillors that there is a need to tackle the growing problem.

The scheme would give the GPs a non-medical referral option so the right type of support can be given to help people who feel isolated to access other services and local groups where people get together and socialise. The national Campaign to End Loneliness estimates that between 1,700 and 3,840 people over 65 years old in South Cambridgeshire are lonely. The new initiative will cost £17,500 per year to base a non-medical member of staff at the GP surgery. The new post would provide the best support for people who are isolated as well as help free up appointments with doctors for people who need medical help.

New hotel alongside Cambridge North station – plans for a new hotel near Cambridge North Station were approved on 15th November.

The four-star hotel will include 217 bedrooms, a lobby bar and restaurant, gym, swimming pool and conference centre. There will be space allocated on the ground floor for shops. A 20-space car park is included in the plans, along with 108 nearby cycle parking spaces. There will be two wings to the hotel; a five-storey southern wing and seven-storey northern wing. As well as being alongside a main-line railway station, the new hotel will benefit from an immediate link to the Guided Busway, bus stops and cycle routes connecting to other parts of South Cambridgeshire and beyond.

Council ensures fly-tipped waste is rapidly removed from beauty spot – council staff ensured a full skip's worth of fly-tipped waste, that was dumped in the grounds of a National Trust property, was quickly cleared.

Plans for new Cambridge City FC Stadium at Sawston approved – councillors have thrown their weight behind Cambridge City FC's plans for a new stadium at Sawston, saying it would create fantastic new facilities for the community.

— HEIDI ALLEN MP —

The Department for Transport has launched a consultation on accessibility issues for disabled people using public transport. I have been working with local and national groups to bring about improvements for disabled people. South Cambs District Council has launched a consultation on taxi licensing which aims to provide more stringent standards. The Council is proposing to introduce a policy requiring all hackney carriages to be wheelchair accessible vehicles. This important consultation closes on 5th January 2018. You can find details here www.scambs.gov.uk/consultations

Parliament returned in October and since then, my main campaign has focused on improving the Universal Credit benefit system. I raised this issue during Prime Minister's Questions on the 11th October and the Prime Minister kindly agreed to meet with me to discuss this in more detail. There will be a further debate in the House ahead of the budget and I am optimistic the Government is listening and will reduce the 6 week delay claimants currently experience before receiving their first payment.

Another important part of my job is to support local enterprise in their efforts to grow and contribute to our local economy. So I was pleased to be able to open the new John Henry Group operations centre in Longstanton. This family business company has gone from strength to strength and I was delighted to be able to cut the ribbon and declare their new centre open!

My next surgery will be on Saturday 16th December from 10am–12pm at Gamlingay Village College, Station Road, Gamlingay SG19 3HD. These are drop-in surgeries with no appointment necessary. Details of all the upcoming surgeries can be found on my website at www.heidisouthcambs.co.uk/residents-drop-surgeries. You'll also find further information about my work and news stories there.

To contact me, email heidi.allen.mp@parliament.uk. You can also phone my Westminster Office on 020 7219 5091 about national issues or my constituency office on 01223 830037 to raise local concerns.

HAPPY CHRISTMAS EVERYONE!

— VILLAGE HALL —

01954 782892

Bar Hill Preschool is open 9am–3pm Monday to Friday, term time for children aged 2–5 years. We offer sessions through the Early years funding scheme, funded two's and accept childcare vouchers.

Our ethos is to ensure high quality care by focussing on each child's ability and interests, providing fun and exciting activities that children learn and develop skills through play in a safe and inviting environment.

Our keyperson and buddy system ensures every child is well supported by qualified practitioners who have a wealth of experience. We work in partnership with parents and our online learning journal supports this by providing families with regular information on the child's development and next steps identified, parents can upload evidence from home too and add their own comments.

Our inside area provides views across the village green in a inviting and welcoming atmosphere. Children can access toys and equipment independently. Skills are developed through activities and routines eg children help to prepare snack with safety knives and learn about how to stay healthy. Lunch clubs are a social time and adults sit at tables with children while they eat own packed lunch, encouraging friendships and social skills.

The extended outdoor learning environment provides opportunities from growing fruit and vegetables for our snack bar to exploring the mud kitchen, large sand pit and our sensory garden.

We welcome visitors from the local community that support our curriculum further.

Interested? You can find out more information on our website www.barhillpreschool.co.uk or call us on **01954 782892** to book an informal visit or for an application form.

— COUNTY COUNCILLOR'S REPORT —

The most frequent complaints I have received from residents this month have been about the local bus services. I have been in touch with the CEO of Stagecoach who has said that roadworks are a major contributor to the deterioration in this service and I accept that these must have some effect. Residents though are not convinced by this and I am continuing to work on finding the causes and addressing them.

The work on the final stage of the Huntingdon Road cycleway is due to finish in mid-November and the single lane restriction at junction 14 of the M11 is due to be lifted around the same date. Once these two major contributors are out of the picture, I will be able to discuss what other reasons there are for this.

Having a free NHS Health Check has proved to be a wakeup call for some residents, influencing them to improve their health through simple lifestyle changes. The checks are designed to spot early signs of stroke, kidney disease, type 2 diabetes or dementia and give people the opportunity to take steps at an early point to help lower their risk of developing such conditions. Often just changing to a healthier diet and doing a bit more exercise is all that's needed. Anyone aged between 40 and 74 can book a free check with their local GP service. Funded by the County Council through its Public Health budget the 20-30 minute session provides checks on blood pressure, weight, cholesterol and the lifestyle factors that influence your health. For more information go to https://www.cambridgeshire.gov.uk/residents/be-well/health-improvement/

It's the time of year when Cambridgeshire County Council starts its budget setting process again. In the last 6 years it has made £215 million of savings whilst striving still to provide good quality services. Over the next five years the Council faces a further £100m pressure on its budgets. The historic underfunding of large rural counties like Cambridgeshire cannot continue and the Council is now working with the county's MPs and its own network of similarly-affected councils to campaign for fairer funding.

Please do contact me about any concerns or questions you have. If you would like to receive a copy of the full report that I write for the division's parish councils each month, please email me and I will add you to its circulation. Meanwhile my best wishes to you all for the forthcoming festive season.

— NOVEMBER BULLETIN —
CAMBRIDGESHIRE FIRE AND RESCUE SERVICE

It's the time of year when we're enjoying a tipple with friends, cooking up festive feasts for the family and entertaining loved ones. With all the fun to be had it is easy to be distracted when cooking in the kitchen.

50% of all fires in the home start in the kitchen and more than half of those are as a result of distraction whilst cooking.

We want to help ensure your festive cheer doesn't go up in smoke this Christmas by sharing tips for safe cooking over the festive season:

- Never leave cooking unattended.
- Do not cook when tired.
- Do not cook when under the influence of alcohol, drugs or medication that makes you drowsy.
- Regularly clean the grill pan and oven. Built up fat can easily catch fire.
- Never leave anything cooking if you leave the house.
- Do not leave anything flammable on or near the hob – tea towels, oven gloves and even washing baskets can catch fire.
- Take care when using microwaves. Fires can start when people put food in too long. Always read the instructions on the packet – never guess the time needed.
- Oven chips or temperature control deep fat fryers are safer than using a chip pan. If you do use a chip pan, do not fill it more than one third with fat and turn the heat down if the oil starts smoking.
- Fire can break out in household appliances so you should regularly maintain dishwashers, washing machines and driers and never leave them on if you go out or when you go to bed.
- Have a working smoke alarm on each floor of your home. If it keeps going off when you are cooking it is probably in the wrong location or you may have the wrong type of smoke alarm.
- Never take the batteries out of your smoke alarm.

If you do have a fire in the house, get out, stay out and dial 999.

For more information, or to get in touch, contact us at firefire@cambsfire.gov.uk or on 0800 9179994.

— SCAM OF THE MONTH —

Modelling Jobs Advance Fee fraud alert

Action Fraud has recently noticed an increase in Fraudsters setting up fake adverts on social media and job browsing websites to deceive people into believing they are recruiting prospective models, both children and adults.

Once someone shows an interest, the fraudsters contact potential victims with false promises of a modelling career. Victims are then persuaded to pay upfront fees for things like a photo shoot, portfolio or contract. But at some stage the fraudster will vanish, leaving disappointed and out of pocket victims.

In August alone, Action Fraud received reports giving a total loss of over £71,000.

WHATEVER offer you respond to:

- Carry out your own research before paying any type of advance or upfront fee. *If it looks very good, it might be too good to be true.*
- Find out how genuine schemes work. *e.g. in modelling, many legitimate agencies cover the cost of a portfolio.*
- Don't give your bank account details or sensitive information to anyone without carrying out your own research on the relevant agency.

If you have been affected by this, or any other type of fraud, report it to Action Fraud www.actionfraud.police.uk or 0300 123 2040. *There is nothing to be ashamed about, the more information they have the more they can do to protect us all.*

— POLICE NOTICE —

POLICE are urging residents to check their home security as the evenings draw in. With more homes empty after sunset, officers are concerned the number of burglaries could rise. However, an increase in crimes over the darker months can be avoided if homeowners take a few simple steps.

In the six months from November last year to April this year (inclusive), 1,238 homes were burgled in the county. During the previous six months (May-October 2016) 1,051 homes were burgled, meaning offences rose by 17.8 per cent over the autumn/winter months.

Police offer the following advice:

- Install good lighting, for example exterior lights with dawn -to-dusk sensors and an alarm.
- Use timer switches. These can be linked to lighting or even a radio giving the impression that someone is at home and can be switched on through mobile phone applications.
- Close your blinds or curtains at night, preventing people from looking into your home. If your children are home first from school encourage them to close curtains and blinds first.
- Keep windows and doors secure, and lock side gates, even if you are at home.
- Do not leave spare keys hidden outside – a burglar will always look for these first.
- Mark your valuables – with your post code and house number – or garden and shed equipment with a spare can of paint or even nail varnish.
- Do not leave car keys near the front door or anywhere easy to find.

For more burglary prevention advice, visit our website https://www.cambs.police.uk/information-and-services/Burglary.aspx

Thank you for your continued support.

— BE WINTER READY —

UK Power Networks is working with the other Electricity Distribution Networks and our trade body, Energy Networks Association, on a new national campaign called **Be Winter Ready**, which aims to encourage people to prepare in case they experience a power cut or gas emergency this winter.

Background

Since 1990, network companies have invested £80bn in improving the reliability of local energy networks in the UK. As a result, on average, electricity customers have a power cut just once every two years and gas distribution customers will have their gas supply interrupted without advance notice just once every 40 years.

Whilst the UK's gas and electricity supply is very reliable, bad winter weather can cause damage and disruption.

Steps you can take to 'Be Winter Ready':

- **Know your free emergency numbers**: In a power cut dial 105 or, for a gas emergency, dial 0800 111999.
- **Prepare your home**: Keep a torch handy and get your appliances serviced by a Gas Safe registered engineer to prevent carbon monoxide poisoning.
- **Register as a vulnerable customer**: Vulnerable households can get extra support by signing up to the Priority Services Register. Go to www.ukpowernetworks.co.uk/internet/en/power-cuts/priority-services-during-a-power-cut/ to find out more about the Priority Services Register in London, the South and East of England or to sign up.
- **Keep your eyes open**: Keep an eye on the weather forecast and, if you have a power cut or a gas emergency, check on your neighbours.

— JOBS & HOMES – LOCAL PLAN —

Plans for 44,000 new jobs and 33,500 new homes in Cambridge and South Cambridgeshire have moved a step forward after Government inspectors did not raise any objections to the strategy of focussing growth in new towns and a new village. Inspectors reviewing the two Local Plans completed hearings in July, and South Cambridgeshire District Council and Cambridge City Council have now published correspondence with Government inspectors up to this point to update local people on the stage the plans have reached. The documents cover some of the changes the inspectors have suggested they believe may be needed for the two Plans to be agreed and signed off, and have asked the Councils to draft the modifications needed. A complete final list from the inspectors is expected in the next few weeks.

Councillors have said they plan to launch a public consultation as soon as they have the final information from the inspectors and will give extra time for people to have their say to allow for Christmas. The Local Plans submitted to Government focussed growth for the Greater Cambridge area in a new town north of Waterbeach, a new village at Bourn Airfield, and an extension to Cambourne. Around 300 homes are also proposed for Worts Causeway on the edge of Cambridge. The independent inspectors reviewing the plans to make sure they are 'sound' have not objected to this overall approach. The main modifications the inspectors have raised so far include:

- Information about suitable land that is readily available in the next 5 years to meet the number of homes that need to be built.
- Changing policies so affordable housing is sought on sites of more than 10 homes. The Government intends this to encourage more smaller housing developments.
- Modest changes to site boundaries and policies at the new town north of Waterbeach and new village at Bourn Airfield.
- Allocation of additional employment land at the Addenbrooke's Campus.

The plans are in addition to the current extensions being built or planned for on the edge of Cambridge and at the new town of Northstowe. These will be carried forward into the new Local Plans.

The correspondence with the inspectors can be found by visiting www.scambs.gov.uk/local-plan-examination

My name is Ashley Bell. I am a 37 year old male offering Maths tuition. I have an honours degree in education, so along with my experience of working in mainstream and SEN schools, I can adapt my approach to fit the needs of your child. I can tutor any age up to GCSE Level, whether that be exam preparation, preparation for a new school/new year, or just general Maths tuition.

I am on the DBS Update Service, so no need for new checks. Contact me at ashleymbellaf@gmailcom or 07432 015314.

Rates: £15 per hour.

INDOOR CARPET BOWLS

Did you know that there has been an indoor carpet bowls club in the village for over 30 years? We meet on Friday nights in the school from 7.30–10.00pm with a ½-hour break for coffee – all for £1.50 each evening you play.
It is a chance to have a game with a friendly group.
We don't play in any leagues so even if you have never played before, don't be put off.
Why not come along and join us any Friday evening with your first session being free—we look forward to welcoming you.
If you require more details please contact Barbara on **01954 204171.**
